Working from a wall tent campsite, the "Campfire Girls" Gina LaFoe and Cindy O'Keefe prepare a mountain man breakfast for 10 over an open fire. Perfect biscuits 'n gravy with scrambled eggs, hash browns and sausage. Gina shows us the details of cooking with multiple cast iron skillets over the open flames. Cindy's prep work makes it plain that this is a two person project. Find more on DVD Volume 9.

*Try a recipe several times to adjust the spices to your perfect tastes. Don't let your hard earned game meat go to waste.*  
*Being an author and big game hunting guide, I am a very successful hunter and I thought I was a good cook. After watching our professional chefs cook sensationally tasting wild game, I realized that I was an amateur. I didn't know that I needed to see how it was cooked for me to create mouth watering delicacies from my own wild game.*  
*There are some recipes I cook four or five times a year. For those I only need the printed copies, but for the really great wild game feast, there is nothing better than Wild Things Show, cooking wild game DVD's.*
