Being an author and big game hunting guide, I am a very successful hunter and I thought I was a good cook. After watching our professional chefs cook sensationally tasting wild game, I realized that I was an amateur. I didn't know that I needed to see how it was cooked for me to create mouth watering delicacies from my own wild game.
There are some recipes I cook four or five times a year. For those I only need the printed copies, but for the really great wild game feast, there is nothing better than Wild Things Show, cooking wild game DVD's.

Sounds like a mouthful. If you like your chili a little on the spicy side you will love this recipe. You may cook it with any ground meat, like venison, boar, beef and turkey. This recipe works real well with tainted game meats.

Notice the Beer Bread. Notice the Beer Bread. What more can I say. This simple to make one ingredient Beer Bread Mix works well with most any meal. Find more on DVD Volume 12.
